INTRODUCTION

This page focuses on the challenges associated with those foundational skills that are difficult in the starting phase of writing and submitting an IGNOU MPA PROJECT for masters' degree at IGNOU. A brief outline is provided by us for understanding the concepts IGNOU MA PUBLIC ADMINISTRATION, IGNOU MPA SYNOPSIS and IGNOU MPA REPORT as well as of what a research proposal should ideally contain.

OBJECTIVES OF MPAP IGNOU MPA PROJECT | IGNOU MPA SYNOPSIS | IGNOU MPA REPORT

The purpose of IGNOU MPA PROJECT is to provide comprehensive knowledge to the learners on the nature and relationship of the State, Society, and Administration. Writing and submitting IGNOU MA PUBLIC ADMINISTRATION PROJECT will develop the conceptual faculties of the learner on various administrative theories, models, process, methods, etc.

Within this framework, Synopsis and Report Work of IGNOU MPA PROJECT, the following specific objectives to enable a learner to:

- Identify and formulate research problems
- Write a good research proposal
- Identify and use appropriate research design
- Conduct scientific investigation in a systematic way
- Collect and analyze the data for the formulation of IGNOU MPA REPORT and IGNOU MPA SYNOPSIS
- Learn to use appropriate statistical methods

PREPARATION/FORMULATION OF IGNOU MPA PROJECT | MPA IGNOU SYNOPSIS

Learners have to choose a particular area in which they are interested in. Then in consultation with the Guide, they have to select a particular topic for their project work.

The project proposal is an outline of the detailed work to be undertaken by the learner.

The following format can be followed for preparing the project proposal

- The Title of the Proposed Project
- Background of the Study
- Literature Review
- The rationale of the Study
- Objectives of the Study
- The hypothesis of the Study If any
- Research Methodology: Sample, Tests/Tools, Statistics to be used
- References/Bibliography

8. **Impact of Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) on Rural Livelihoods**

PREPARATION/FORMULATION OF IGNOU MPA REPORT/DISSERTATION/THESIS

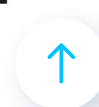

The size of the project report depends on the nature of the theme of the project you have selected. However, it is desirable that the project report should be around 100 pages typed in double space. The report should be in A4 size sheet.

The Report should be in the following format.

S. No.	Parts	Description
1	TITLE	The first page of the report should indicate the title of the project, name of the candidate, address, enrolment number and year. 1. Certificate 2. Acknowledgment 3. Table of Contents
2	INTRODUCTION	This section will introduce the problem. It should be able to give an idea to the reader what the topic is all about, how did the topic emerge, and what made the researcher take up the topic. The introduction must contain the rationale and purpose of the research.
3	REVIEW OF THE LITERATURE	Review of literature is a collective body of works done by earlier researchers and published in the form of books, journals, articles. It helps in generating ideas and developing significant question the research work.

4	SIGNIFICANCE	The rationale for carrying out a particular project is explained here.
5	OBJECTIVE /HYPOTHESIS	This will basically consist of the main objectives or purpose of the research. For example, to study the effect of family environment on the self-concept of the students. A hypothesis is also provided which is a tentative statement about the cause and effect relationship between the independent and dependent variables.
6	METHODOLOGY	The methodology includes Sample, Tests/Tools, and Statistical Analysis. The size and nature of the sample will depend on the topic selected. Tests/ tools are to be selected based on the objectives of the research. The data collected with the help of the tests/ tools are then analyzed by using appropriate statistical techniques.
7	RESULT AND DISCUSSION	The findings of the research after the statistical analysis of data are reported in tabular and graphical form. This is then discussed in the light of the existing research studies. The implication of the findings is also discussed.
8	CONCLUSION	Under this heading, the learner has to conclude the findings of the research.
9	DELIMITATION	Constraints and limitations of the research are mentioned here.
10	SUGGESTIONS	Based on the research findings, the learner can give suggestions for further research in a particular area.
11	REFERENCES (APA STYLE)	References have to be written in APA format. These should be alphabetically listed.

FAQs- FREQUENTLY ASKED QUESTIONS

Q1. What are the last dates for IGNOU MPA REPORT and IGNOU MPA SYNOPSIS?

Ans:

(JULY BATCH)

IGNOU PROPOSAL/SYNOPSIS: **30th September**

IGNOU PROJECT REPORT/DISSERTATION: **31st March**

(JANUARY BATCH)

IGNOU PROPOSAL/SYNOPSIS: **31st March**

IGNOU PROJECT REPORT/DISSERTATION: **30th September**

Q2. What are the criteria for submission of MPA IGNOU SYNOPSIS?

Ans: The learner has to prepare the project proposal/synopsis and submit it at their Study Centre itself. The Program In-charge of the Study Centre will examine the proposals and give approval to it. Wherever modification is required, these will be conveyed to the learner and accordingly, the learner will resubmit it to the study center with necessary modifications.
